Dear Jemma

Achievement of REQM Silver Award

On behalf of the Peterborough SACRE board, I am writing to congratulate yourself and the school on achieving the recent REQM Silver Award. This is a remarkable achievement and we do not underestimate the hard work which has gone into achieving this quality mark during such extraordinary and challenging times.

Thank you for sharing the website link which shows the excellent work carried out by the RE teachers and pupils benefitting as a result.

I would like to thank you for your continued contribution to RE in Peterborough. I look forward to further working collaborations with your school.

Yours sincerely,

pp Laura Corcoran
