Quotes from pupils (Please let us know anything interesting, surprising or wonderful which came out of the interviews with pupils)	I would like more time to do more RE! RE would be better without coronavirus so Miss C can teach in the class again. We learn about being a Christian which helps me to have a greater faith in God and understand more about my religion.
Please make a summative comment about RE in the school which may be used for publicity	The RE subject leader has a clear passion for the subject and teaches across the school. She has worked hard to show how she's kept momentum throughout the ongoing pandemic, flexing RE plans accordingly. She has a good idea of where she'd like to pick up again - once she is able - to take RE further.
Any other comments about the school or the process
